

Adjustment Reason Code Layout

Process: The Adjustment Reason Code layout is used to assign reasons for salary changes during the budget development process for all regular employee salary proposals. The adjustment code layout defaults to an M for all salary changes. The available adjustment salary codes are as follows:

- P – Promotion
- S – Scale
- M – Merit
- K – Market
- E – Equity
- L – Leaving University (Use this code **ONLY** when an employee will be separating from the university (effective July 1) in the new fiscal year or after the salary proposal process is closed (usually late April, May, or June)
- O – Other
- D – Distribution Change

Role: Authorized Personnel

Frequency: When Needed
